CONSTITUTION

1. Name

This association shall be known as the **Traffic Action Group A262** herein referred to as '**TAG-A262**' or 'the TAG' or 'the Group'.

2. Composition

The group shall consist of members interested in pursuing the objectives as identified below. All residents of Goudhurst, Cranbrook & Sissinghurst & Biddenden Parish Councils, whether they fall within the Tunbridge Wells Borough Council or Ashford Borough Council areas may become members, together with any 'friends' that may assist the association and particularly including people employed within the area.

3. Objectives

3.1 The objectives of the group shall be:

1. to protect the villages' built environment and their inhabitants against the negative effects of the volume, type and speed of traffic on the A262 and surrounding roads.
2. to protect the natural environment around the roads & improve road safety.
3. to influence the Parish Councils on their Highways Improvement Plans and actions required on the A262 and surrounding roads and support them in securing funding and road improvements.
4. to liaise with all relevant Councils to ensure clear, accurate information is provided to the village communities so that everyone can work together to achieve change and highways improvement, which is in keeping with the history, character & environmental protection of the villages.
5. to provide information, guidance and assistance to the village communities if they wish to raise objections to planning applications that will adversely impact road use through the villages.
6. to involve our Members of Parliament including influencing government policy.
7. to work harmoniously across boundaries, whether Parish or District, so that the views of both individuals and the whole community are made known, listened to and taken into account before decisions are made which will affect the villages and the traffic on the roads.
8. to solicit the views of the membership and give a voice to their opinions.
9. to research the laws, regulations & policies that affect road usage and related environmental protection.
10. to pressure government from local to national level and influence policy where it is considered to hinder the objectives of the group using appropriate means including the media.
11. to persuade planning authorities to consider applications for development as part of the whole locality with particular note to protection of the environment, and to traffic

and parking issues; that is not to consider each application in isolation.

12. to liaise with key members of the planning departments of both Tunbridge Wells & Ashford Borough Councils.
13. to work with and influence the police in management of the traffic in our villages and along the A262.
14. to keep the villages informed of actions and progress.

3.3 Neither the group nor its members shall have any financial objectives within the auspices of the TAG other than fund raising to support the expenses of the association.

3.4 Notwithstanding the objectives above, the group shall not be associated with nor be motivated by any party political agenda.

3.5 Normally it is NOT in the group's remit to pursue individual planning applications. When considered appropriate the Committee will encourage individual members to oppose or support planning applications. The group may give appropriate support to other groups purporting to have similar objectives of the association, including a group formed to consider an individual planning application.

Any joining fee, annual membership fee or any other designated fee, shall be defined from time to time by the Committee and all or each of them may be set as zero. The Secretary, or a nominated assistant, shall maintain a list of members. Membership shall be deemed to continue until such time as a listed member indicates that they wish to be removed from the list. - 6.4 Each member of the Committee is free to pursue his own initiative on matters relating to the objectives of the group but shall only claim to represent the views of the group when the subject has been discussed by the Committee and a consensus view has been identified. Only a Committee member shall be considered to voice the legitimate views of TAG-A262.

7. General Meetings

- 7.1 The group's year shall be 1st April to 31st March. The group shall hold a public General Meeting each year with at least 4 weeks notice. Decisions shall be by a simple majority of those members attending and voting. Amendments to this constitution may be made by a simple majority vote of the Committee attending and voting at a Committee meeting subject only to ratification of the change at the next AGM. Notice of an AGM shall include a statement of Rule changes that are to be ratified, by way of a copy of the existing constitution. Members standing for Committee shall be as nominated by any general member in writing at any time and delivered to the Secretary no later than two weeks prior to the date of an AGM. The Committee may make nominations at any time. Notice of an AGM shall include a list of members known to be standing for Committee at the time of the notice. Any necessary election shall be by ballot and only members who have paid the designated annual fee and personally present shall be entitled to vote. In the event of an equality of votes the Chairman of the group shall have a casting vote. In the event that the number of nominations does not exceed the vacancies, properly nominated persons shall take office without a ballot, at the relevant point in the agenda.
- 7.3 The Committee shall call a Special General Meeting if the Secretary receives a petition from not less than 10 general members demanding one. A SGM shall be called within 6 weeks of such notice following the procedure for the call of the AGM.
